

EAA CHAPTER 808

JULY Newsletter 2017

A Word from the President

Well it's been a while and I must admit the newsletter is late but hopefully full of good information. David Springer our treasurer has done a great job of renewing our Amended and Restated Articles of Incorporation with the State of Colorado and is in progress of filing our IRS required paperwork. He has done so with the help of attorney Patti Arthur of Salida, Colorado. It so happens that with the persistence of David he discovered that Patti assists EAA chapters with filing required documents with State Governments and the IRS. She was extremely helpful in getting us on the right track. We will soon be a full-fledged Non Profit 501.3.c. GREENHORN MOUNTAIN EAA CHAPTER 808. Thanks David!

We will be conducting a Young Eagles Rally on August 26th starting at 7:00a.m at Steel City Aviation. Susan Myhre the Young Eagles coordinator has worked hard to put this together and if you want to participate in some capacity please call her. I know it is short notice for some but we can always use help.

Our chance to make some money for the chapter is coming up during the Fremont County Airshow September 16th as we provide the pancake breakfast for the event. We have several members committed to help but can use more. If you can help, please contact Liz Springer the coordinator for the pancake breakfast.

September is full of aviation activities with some local events and one important one outside of the state:

September 8th & 9th AOPA Fly In Norman, Oklahoma

September 9th Calhan, Colorado - Pig Roast

September 16th Fremont County Airshow

September 23rd & 24th Peterson Field Military Airshow

With the Thunderbirds and the A-10 !!!!

OUR NEXT CHAPTER MEETING WILL BE OCTOBER 11th

Meeting will take place at the modular building at the Fremont County Airport.

We will have a chapter newsletter out the week before with more information.

..

Terrence Terrill.

We are having a Young Eagles Rally at KPUB this weekend and we need volunteers to help set up everything this Friday, the 25th of August, at 3:00pm, meeting in front of the Weisbrod Aircraft Museum.

Jon Fredericks is in charge of the setup and would like you to call him if you can make it Friday. His number is (719) 547-7537.

Please come help Jon! He just turned 77 today and would like to see 78!

Thanks,

Ron Davidson

Secretary's Report

EAA Chapter 808 July Membership Meeting

EAA Meeting was held Coyote's Coffee Den in Penrose, Co. Meeting was called to order at 6:44 PM. John Marietta—from the Fremont Airport Advisory Board was Our Guest.

Treasurer's report was given by David Springer. Balance in Checking \$1841.14, Cash \$115.15. He also stated that we need a new EIN#.

Dave Myhre informed us that he was still working on the new website for the Chapter. We would also like to compliment him on the great job on the ADSB Briefing.

Chapter voted to do the "Pancake Breakfast for the Fremont County Airshow on Sept the 16th 2017. This would be served from 7:00 AM to 10 AM. It was decided to set up a little table or booth to promote the Chapter. John Marietta gave a report on some of the performers that were going to be at the airshow. See the information posted below.

Jon Federicks is to auction of his Pedal Plane that he built, at the airshow. It was also noted that we need to see if there are those would be grounds volunteers.

Volunteers for the pancake breakfast at this time were Ron and Tammy Davidson, Terry and Sue Terrill, Jon Frederick, Dave and Sue Myhre, John Davolt, and Liz and David Springer. Possibly more have volunteered since then.

The modular building @ Fremont is open for the Chapter, and it was suggested we alternate between Pueblo and Fremont.

It was voted that we go ahead with the Young Eagles rally on Sat. August the 26th. Sue Myhre is the coordinator, Dave Myhre is to be the Pilot briefer, Don Brosh--Safety Officer, Ground volunteer manager--Jon Federicks, Young Eagle recruiter and event Safety Monitor,-- Dave Springer.

It was decided to have a Officer's Meeting on Thursday, Aug 15th in conjunction

with the Airport Advisory Committee at the Pueblo Airport. (This was later changed to Sat. the 12th Aug.)

Meeting adjourned at 07:36

John E. Davolt, Secretary

From the Editor:

What a month this has been. Not only did I have a birthday and get a year older, but it has been a very busy month. We have had a large influx of students, and I have been working a record number of hours. I am not sure whether it is the years that are catching up with me or my engine is running out of fuel. LOL. But it seems that when I get home of an evening that my energy has been Zapped.

The weather has been beautiful for the last couple of weeks, and even needed rain. I hope that the weather will be good for the Young Eagles rally on Sat.

My first Airplane

Thought I would put a picture of my first airplane. Look how young I was in this picture. I bought it when I was 2. While others were dreaming of a new car or a Hot Rod, I was enjoying an airplane. I bought it in 1974 for \$4500. It was a 1965 Cessna 150, I did a lot of flying in it, flew it to Ft. Pierce Florida, to South Carolina and many trips to Kansas From Missouri. It was economical to fly and I began working on airplanes then, remember those years with a smile.

John E. Davolt, Editor

Fremont County Air Show

Mark September 16, 2017 on your calendar to attend the 2017 Fremont County Air Show and Fly-In! Fly in, drive in, or walk in to Fremont County Airport (1V6), gateway to the Royal Gorge and Rocky Mountains. Planned activities include:

- Fly-in
- EAA Pancake Breakfast
- Parachute demonstration
 - Warbird Fly-bys
 - Military Aircraft
- Aerial demonstrations
 - Aerial acrobatics
- Hot Rods & Custom Cars
- Police & Fire Fighting
 - Vehicles
- RC Aircraft Display
- Food, Vendors, & More!

The Fremont County Air Show is held in conjunction with the Florence Pioneer Days. Watch the Pioneer Parade in the morning; then ride a courtesy shuttle to the Fremont County Airport for the Air Show. Admission is Free!

This event is sponsored by businesses and individuals who have opened their wallets to support our community and general aviation. Bring along appropriate head gear and sun screen.
